

MODERN MUSTARD SEED

AI voice agents that answer every call

Your phone now speaks every **customer's language**

A 24/7 AI voice agent that picks up every call in a natural human voice, in 100+ languages. It detects the caller and answers in their language, books the appointment, and captures every lead. No voicemail. No language barrier.

SPEAKS 100+ LANGUAGES

English

Spanish

French

German

Portuguese

Mandarin

Russian

+ 94 more

Never miss a call

Nights, weekends, the lunch rush, after hours. It answers every line, every time.

Speak their language

Detects the caller and replies in their language, and can switch mid-conversation.

Books and qualifies

Puts real appointments on your calendar and drops clean, noted leads into your CRM.

Live in about 2 weeks

Your number, your brand, your custom voice. Built fast, and you own it outright.
