# Eight checks. *Pass or fail.*

No AI in this pillar. You can verify every one in a minute.

|                                     |                                             |    |
|-------------------------------------|---------------------------------------------|----|
| <input checked="" type="checkbox"/> | A listing a customer can find               | 20 |
| <input checked="" type="checkbox"/> | Phone number on the listing                 | 10 |
| <input checked="" type="checkbox"/> | Website linked from the listing             | 15 |
| <input checked="" type="checkbox"/> | Street address published                    | 10 |
| <input type="checkbox"/>            | <b>Hours published</b>                      | 15 |
| <input checked="" type="checkbox"/> | Active enough to carry a rating             | 10 |
| <input checked="" type="checkbox"/> | Enough reviews to rank locally              | 10 |
| <input type="checkbox"/>            | <b>Emergency or after-hours work stated</b> | 10 |

## HOW IT WORKS

***You ask.  
We grade.  
It lands.***

**01**

### **Leave your email**

Your business name and your website. Thirty seconds.

**02**

### **We grade all three**

Your listing, your reviews, your site. Every check printed.

**03**

### **The report hits your inbox**

Every check, every source, the fixes ranked. Yours to keep.

NO CARD • NO CALL UNLESS YOU ASK

# Get yours *free*.

Your website, your Google profile and your reviews, graded and emailed to you.
